Hatemongering And Defamation

By Marilyn R. Allen

P.O. Box 2243 — Salt Lake City, Utah

In the virulently anti-White-Christian-American Jewish newspaper, **Heritage**, (Los Angeles) for Nov. 6, 1958, which carries the usual Jewish venom against name-called "hate groups" or individuals, there is this quote:

"In his letter to the Congressman (Francis E. Walter) asking for a House investigation on 'hate groups' (meaning Christian Constitutional Americans) Commander of Jewish War Veterans, Shaikewitz, pointed out that hate sheets have increased 'fantastically' during the past 6 months (there must be a reason), indicating that financial backers of such publications have thrown great sums of money into their operation."

IF this were actually true, what of it? In view of the fantastically huge collections and fund drives on the part of Jews themselves? But this is customary distorted Jewish propaganda, since I happen to know that most Christian Constitutional Americans, such as myself, operate as individuals not as organized groups like the ADL and NAACP—and have to spend their own sacrificial pennies in defense of OUR country, our race and our religion. Every true patriot that I know of, is having a terrific struggle financially, what with inflation, increased postage, as well as high living costs. Most of them are not organized and do not enjoy any backing, moral, legal, financial or organizational—, such as do the well-heeled ADL and NAACP. Nor do they regularly conduct, all over America,

There is no Time quite like Christmas for remembering the Friendships we Cherish and there are no Wishes like the Old tried and true ones - a Merry Christmas and a Happy New Year

well-organized tax-free fund drives (backed and promoted by our highest officials, and agitators such as Eleanor Roosevelt, who act as toadies for these minority interests: the Jewish papers are full of their names and faces, for advertising purposes). Humorously enough, in this same **Heritage** issue for Nov. 6, 1958, is this squib:

"Sen. Jacob K. Javits, of N.Y. State, will be the principal speaker at Joint Defense Appeal's Third Annual Human Relations Award Dinner on Nov. 15. . . Mendel

B. Silberberg, well-known Los Angeles attorney and civic leader, will be recipient of the Award in recognition of his 'contribution to the advancement of human rights.' (This language always means extra-territorial Jewish rights, not human rights for Christian patriots: they do not have any).

"Joint Defense Appeal is the fund-raising arm of the American Jewish Committee and Anti-Defamation League of B'nai B'rith, the nation's oldest and largest

"Thy Brother's Keeper"

By Martha O. Andrews

Far more could be accomplished toward the advancement of the Negro through intersectional understanding and cooperation than through conflict and condemnation. For a better perspective, please study the following explanation of the South's position:

One-tenth of the nation's population is Colored, of which two-thirds live in 10 southeastern states. One-third of the South's population is Negro; in the "black belt" they outnumber Whites as much as 9 to 1.

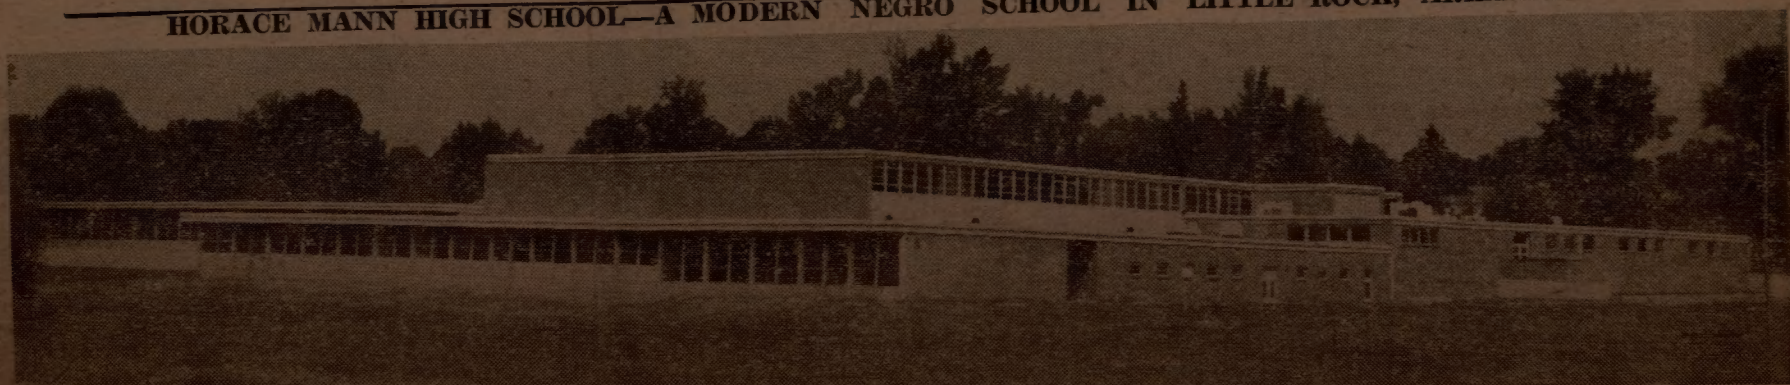

The Negro was introduced to civilized society through slavery. With emancipation he was turned loose penniless, homeless, jobless, and ignorant to be absorbed by a war-ravished South. Since Reconstruction days he has been nurtured by Southern White taxpayers. Today there are more Negro-owned-and-operated businesses in the South than in all other sections combined. Out of 14 colleges in metropolitan Atlanta, 7 are for Negroes; similar institutions are throughout the South. A Negro was elected to serve on the Atlanta Board of Education; 36 Negroes are on the Atlanta police force. Atlanta leads the nation in low-rent public housing, and is about to launch a

multi-million dollar urban improvement program, building new homes for thousands of Colored families. Recreational facilities, and almost all other tax-supported projects are provided both races. The Negro pays only a minute portion of tax monies spent on him; he could not be educated for years to come nor have any other public services or protections if left to his own tax resources.

Nowhere else in the world at any time in history has a people been so swiftly uplifted as the Negro in America. The South does not mistreat the Negro, but has done more for him than all other sections
